

CATHEDRAL PEAK RANCH LANDOWNER'S ASSOCIATION, INC.

RESOLUTION # 1004

IRRIGATION WATER SYSTEM MANAGEMENT

August 4, 2017

Whereas the management and control of the irrigation water system is governed by the Board of Director's Water Committee, only the Water Committee Members have authority to manage, control and regulate the flow of water from the irrigation system.

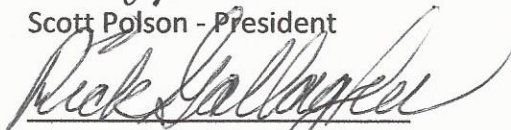

No unauthorized person or people shall operate head gates, block flow of water to downstream users or divert water without a majority approval and written consent from the Water Committee members of Cathedral Peak Ranch.

Unlawful use, modification of any type, or vandalism of the system shall be reported to the Montrose County Sheriff and punishable by the laws of the State of Colorado.

Approved and implemented by the majority of the Board of Director's August 4, 2017.

Scott Polson - President

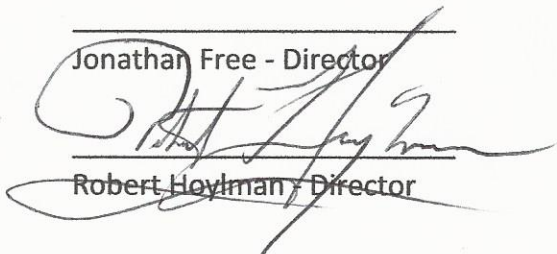

Rick Gallagher - 2nd Vice President

Mike Smith - Director
